

Prompt and proper care will extend the life of these lovely holiday plants.

POINSETTIA CARE INSTRUCTIONS

- When you get your plants home, please unpack and unsleeve immediately.
- Poinsettia bracts are sensitive to bruising - handle carefully!
- Poinsettias should be in a cool, bright area - but not in direct sun.
- Avoid exposure to drafts or hot air blowing directly on plants.
- Poinsettias should be kept moist – not too wet, not too dry. Don't let them sit in water.
- Water when the soil feels dry to the touch.

With proper care, these lovely Poinsettia plants will provide weeks of enjoyment!
