

Prompt and proper care will extend the life of these lovely holiday decors.

WREATH & GARLAND CARE INSTRUCTIONS

- When you get your wreath or garland home, please unpack immediately.
- Some needle loss and shifting is normal.
- Plumping the foilage on the wreath or garland will help them appear full once again.
- If kept inside, mist the wreath or garland every few days. If kept outside, misting is not needed unless you live in warm climate.
- Keep the wreath or garland out of direct sunlight and away from any source of heat.

With proper care, these lovely holiday decors will provide weeks of enjoyment!
